OBJECTIVE

- A dedicated Computer Science major with a keen interest in cyber security.
- Actively pursuing an internship position in the field of information technology.
- I aim to apply my knowledge and expand my technical skills, gain hands-on experience in a professional setting, and contribute to the success of an organization.

EDUCATION

University of Georgia, School of Computing   Athens, GA
Bachelor of Science, Computer Science   May 2026
Emphasis, Cybersecurity   Major GPA: 3.65/4.00

CERTIFICATIONS: Cyber Security Certification (ISC2)   12/2023

TECHNICAL SKILLS	SOFT SKILLS
Scripting with Python and Java	- Excellent communicator collaborator
Microsoft Office Suite	- Ethical & compliance knowledge
Windows and Linux OS	- Continuous learner
Visual studios	-Leadership
HTML/CSS	- Adaptable to new tech

PROJECTS

Cisco Systems Stock Characterization (Python):
During project, served as a leader by assigning roles/tasks to members, setting up communication for deadlines and potential issues, and following up individually with group for all tasks.

- Developed a code that ran a dataset from a spreadsheet on stock prices from 1990-1996.
- Utilized visuals such as scatter, line regression, and validation charts.
- Conducted thorough testing to identify and rectify code issues.
- Collaborated with team members to ensure successful project completion.

Personal Portfolio Website: (HTML and CSS):
- Constructed a site utilizing coding and styling languages to showcase a website of my portfolio (link at top)

EXTRACURRICULARS

- Cyber Security Club
- Association for Information Tech Professionals (Current)
- NAMIC Atlanta University Relations Summit @Cox Communications 10/2023 and 04/2024
- Hosea feed the hungry organization since 2015
- Atlanta Community Food Bank volunteer since 2015
